vending paper cup range

Benders Paper Cup Company is now Europe's only dedicated paper cup manufacturing business and also one of the leading manufacturers of paper Vending Cups with over 10 years experience.

As an industry specialist, Benders not only understands the needs of the Vending industry but also continues to focus on and support the vending operator with dedicated resource to ensure that Benders continue to manufacturer one of the most reliable vending cups in the market.

Design: Caffé

Design: Verona

Design: Verona pla

Benders supply a complete range of vending paper cups to the UK and European markets with vending cups sizes available in 3oz, 6oz, 7oz tall, 7oz squat, 9oz tall and 12oz. Vending hot cups are also available as environmentally considerate pla lined cups.

Vending hot cup designs are available as either 'Caffé' or 'Verona' designs or as a full bespoke custom print.

34cl - 12oz SS Vending Cups improves stack height by 30%. *Please note: specialist products availability subject to vending machine mechanism setup. Please refer to our website (www.benders.co.uk) for information on our range of lids and cold cups.

You can rely on Benders to make the right environmental choices.

As part of our on-going commitment to the environment we are working closely with our suppliers to ensure the board we use to make our cups is obtained from sustainably-managed forests. We're proud to say that all of our cups are sourced from PEFC/FSC Certified forests.

All Benders vending cups are printed with a traceability code on the bottom of each cup.
